Designed by award-winning Thai landscape studio TROP, YOO8 serviced by Kempinski’s sublime facilities epitomise wellbeing and premium leisure, making these floors an inspired aspect of the development.

Malaysia’s remarkable natural landscape became the inspiration for this opulent pool and spa area on the 26th floor. Drawing on the poetic patterning of fallen dewdrops, TROP merges sensual shapes with robust natural materials, creating an oasis of relaxing ripple pools and stellar city views. A 25m lap pool emerges as a swimmer’s paradise while cosy, pod-like cabanas make for the perfect hideaway.
